

# RAM Maths Circle (Lodha Schools)

Date: December 23, 2024

Grade 5

In this session, the mentor engaged the students with fun and interesting calendar-related questions.

1. If today is Monday, what will be the day on 500th day from today?
2. Lodha Math Circle was inaugurated on 16th December 2024, Monday. In which year 16th December will come on Monday again?
3. I celebrated my birthday on Saturday 30th, September 2023. When will I get to celebrate my birthday on Saturday again?
4. In a given year if teacher's day falls on Sunday, what will be the day on Gandhi Jayanti in the same year?
5. Zozo is 6 years and his mother is 30 years. After how many years will he be four times as old as Zozo?
6. If 15th March is Monday then which day will occur five times in that month?
